

Shepherd Sam Has a New Mailbox! *Good News Gus Reporting!*

This is **Good News Gus** with some exciting news straight from Shepherd Sam's front porch!

Have you ever wanted to ask Shepherd Sam a question? Maybe you'd like to tell him about something kind you did, share some good news from your family, or let him know how God has been blessing you.

Well, now you can!

Just send your email to: shepherdsamsfarm@gmail.com

Shepherd Sam loves hearing from boys and girls who visit the farm. He enjoys reading your questions, your stories, and all the wonderful things happening in your lives.

Maybe you learned a new Bible verse. Maybe you helped someone in need. Maybe you have a funny story about your pet. Shepherd Sam would love to hear about it!

Just remember...Shepherd Sam gets lots of emails, so it may take him a little while to answer everyone. If you don't hear back right away, don't worry. Be patient. Sam will read your email and answer as soon as he can.

Who knows? Your question or your good news might even inspire a future story here in the Good News Gazette or a visit to the front porch on Shepherd Sam Sunday!

This is Good News Gus reporting from Shepherd Sam's Farm... where there's always room for one more friend.

Come and See!
